SUBJ: Distinguished Professors

Dear Colleagues:

The rank of Distinguished Professor is an honorary title conferred upon a small number of NPS faculty in recognition of exceptional and sustained scholarly, teaching, and service accomplishments that have brought great credit to NPS, the NPS mission, and to the faculty members themselves. This award is significant because of the excellence demonstrated by these members of our faculty over a significant period of time.

I am pleased to announce that the following professors have been named Distinguished Professors:

- Professor Francis (Frank) Giraldo, MA
- Professor Susan Sanchez, OR

Professors Giraldo and Sanchez will receive an NPS medallion to be worn with their academic regalia. They are entitled to use the academic title of "Distinguished Professor". We will honor them at the upcoming September 25th virtual graduation.

Please join me in congratulating Professors Giraldo and Sanchez.

ROBERT F. DELL
